UNSW Alumni Relations

Our alumni relations team is committed to maintaining a lifelong relationship with the 209,000 plus alumni located around the world. [UNSWorld Alumni online](#) is the central contact for nurturing the University's relationship with alumni. A range of functions and events are scheduled annually both in Australia and overseas.

Development

Our Development team is devoted to raising funds to advance UNSW's aspirations. We create lasting relationships with individuals, corporations, foundations and community organisations to meet the goals of UNSW in research, faculty projects, scholarships and capital campaigns.

Advancement Services

The Advancement Services team is dedicated to the consistent and transparent administration and reporting of all fundraising contributions and stewardship of donors to the University.
